Hoy Pinoy

ABOUT

Hoy Pinoy first lit the coals up in 2013 in Melbourne. Our focus has always been on traditional Filipino street food, specializing in Inihaw (BBQ). HP's recipes are derived from Regina Meehan's (owner) family recipes and her experiences growing up in Olongapo City, Zambales, Philippines.

Important Information

Melbourne Showgrounds partners with Dean & McPherson to provide spectacular food and drink solutions across all our event spaces. Working with over 90 food and drink vendors, Dean & McPherson can provide a variety of cuisines for your event attendees.

Our vendors are carefully selected based on their capacity to handle high volumes whilst providing a quality service and product. Our ratio of 1 food vendor per 1000 attendees has been determined based on past event experience and the vendors proven abilities working at the Melbourne Royal @ Show and at other large-scale events and venues. Should you wish to increase above your allocated ratio, a \$4,500 minimum spend guarantee will be applied across each vendor/per day. Please speak to your Melbourne Showgrounds Event Planner to enquire further.

Compliance around food vendors and has recently been tightened by the City of Melbourne and placing food trucks inside buildings has a variety of challenges including having oil based/flammable liquids causing high risk. Melbourne Showgrounds will work closely with you to advise on the best outside locations for your event or provide alternative catering solutions .

Whilst we are one of the main venues for a lot of our vendors, they do work across Melbourne and the selection for each event is dependent on availability.
